INVESTMENT OBJECTIVE AND STRATEGY

The Fund aims to provide long-term capital growth by investing in a single collective investment scheme called the Target Fund, which is invested in a portfolio of equities and equity-related instruments of companies domiciled in, or the main business of which is in, the People's Republic of China (PRC). The Fund's Target Fund is the Blackrock Global Funds (BGF) Systematic China A-Share Opportunities Fund (D2 USD Share Class with ISIN LU1580142625).

CLIENT SUITABILITY

A client profiling process should be performed prior to participating in the Fund to guide the prospective investor if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/Plan Rules of the Fund, which may be obtained from the Trustee, before deciding to invest.

- The BDO China Equity Feeder Fund is suitable only for individual and corporate investors who have balanced risk appetite and who seek potentially higher returns through Chinese stock market investments but are also aware of the possibility of capital losses that such investments may entail.
- Participation in the Fund shall be open to Filipino citizens, Philippine residents and domestic corporations, with capacity to contract and who are not considered US Persons under the US securities and tax laws.
- Participants/trustors are recommended to stay invested in the Fund for more than three (3) years. The Fund is not suitable for short-term investing.

KEY RISKS AND RISK MANAGEMENT

You should not invest in this Fund if you do not understand or are not comfortable with the accompanying risks.

Market/Price Risk. Possibility to experience losses due to changes in market prices of securities.

Liquidity Risk. Possibility to experience losses due to the fund's inability to convert assets into cash immediately or in instances where conversion to cash is possible but a highly disadvantageous price.

Foreign Exchange Risk. Possibility to experience losses due to fluctuations in foreign exchange rates.

Country Risk. Possibility to experience losses arising from investments in securities issued by/in foreign countries due to political, economic and social structures of such countries.

INVESTMENT POLICY / PROSPECTIVE INVESTMENTS

As a feeder fund, the Fund shall invest at least 90% of its assets in a single collective investment scheme called the Target Fund. The Target Fund is registered/authorized/approved by a regulatory authority that is a member of the International Organization of Securities Commissions (IOSCO) and managed by reputable fund manager/s, the investment objectives and policies of which are generally consistent with those of the Fund. The Target Fund must neither be structured nor similarly structured as a feeder fund or fund-of-funds. The remaining portion of the assets (maximum of 10%) will be invested and reinvested by the Trustee, with full discretionary powers, in deposits in the Trustee's bank or in other banks. The Fund may invest in bank deposits beyond the 10% limit during the transitory period while the Fund switches target fund.

GENERAL INFORMATION ON THE TARGET FUND

The Target Fund was switched from BlackRock Global Funds (BGF) China Fund to BlackRock Global Funds (BGF) Systematic China A-Share Opportunities Fund effective 03 May 2024. The Target Fund (BGF Systematic China A-Share Opportunities Fund) seeks to maximize total return by investing at least 70% of its total assets in a portfolio of equity securities of companies domiciled in or exercising the predominant part of their activity in the People's Republic of China (PRC). For the purpose of the investment objective, the PRC excludes Hong Kong and Macau Special Administrative Regions and Taiwan and accordingly the Target Fund will invest only in onshore Chinese equity markets (A-Shares).

To achieve its investment objective and policy, the Target Fund will invest in a variety of investment strategies and instruments. In particular, the Target Fund will use quantitative (i.e. mathematical or statistical) models in order to achieve a systematic (i.e. rule based) approach to stock selection. This means that stocks will be selected based on their expected contribution to portfolio returns when risk and transaction cost forecasts are taken into account. The Target Fund may use derivatives for investment purposes and for the purposes of efficient portfolio management.

- This Fund is available to Filipino Citizens, Philippine residents and domestic corporations, with capacity to contract and who are not considered US persons under the US securities and tax laws.
- Prospective participants/clients should also consult their own tax advisors as to the specific Philippine tax consequences of acquiring, holding and redeeming of units of any Fund/investment outlet, as well as the consequences arising under the laws of any other taxing jurisdiction.

BDO Unit Investment Trust Funds (UITFs) are not deposits but trust agreements. They are not obligations of, nor guaranteed, nor insured by BDO or its affiliates and subsidiaries, and are not insured by, nor governed by the PDIC. Due to the nature of the investments of a UITF, the returns/yields cannot be guaranteed. Any income or loss arising from market fluctuations and price volatility of the securities held by the UITFs, including government securities, is for the account of the investor. The units of participation in the funds, when redeemed, may be worth more or worth less than the initial investment of the investor. Historical performance, when presented, is purely for reference purposes and not a guarantee of similar future results. BDO, as trustee, is not liable for losses unless there is fraud, willful default, bad faith or gross negligence. Investors must read the complete details of the UITFs in its Plan Rules, make their own risk assessment, and when necessary, seek an independent/professional opinion before making an investment.
