* Modified Duration measures the percentage change in NAVPU for a given percentage change in interest rates. The higher the duration, the more the NAVPU will fluctuate in relation to changes in interest rates. For example, if the modified duration of the Fund is 3, the NAVPU will increase (decrease) by 3% for every 1% decrease (increase) in interest rates.

DISCLOSURES: BDO Unit Investment Trust Funds (UITFs) are not deposits but trust agreements. They are not obligations of, nor guaranteed, nor insured by BDO or its affiliates and subsidiaries, and are not insured by, nor governed by the PDIC. UITFs do not carry any guaranteed rates of return. Any income or loss arising from market fluctuations and price volatility of the securities held by the UITFs, including government securities, is for the account of the investor. The units of participation in the funds, when redeemed, may be worth more or worth less than the initial investment of the investor. Historical performance, when presented, is purely for reference purposes and not a guarantee of similar future results. BDO, as trustee, is not liable for losses unless there is fraud, willful default, bad faith or gross negligence. It is recommended that investors read the UITF's Plan Rules or seek an independent opinion before making an investment. For more information, visit our website at www.bdo.com.ph/trust.
