

Peso Moderate Fund

Objective

The Peso Moderate Fund aims to achieve capital appreciation over the medium term by investing primarily in equities and in some fixed income securities.

Client Suitability

This Fund is suitable for individuals willing to accept moderate risk for their investment in exchange for moderate growth. Generally, these individuals are willing to accept some losses on capital as long as the expected return over the medium to long-term is significantly higher.

Fund Manager

The Peso Moderate Fund is managed by the Trust and Investments Group of BDO Unibank, Inc. (BDO), which is the financial services flagship of the SM Group of Companies, one of the most successful conglomerates spanning retail, mall operations, property, banking, hotels, convention and leisure facilities.

Today, BDO is multi-awarded by various leading financial institutions, which include Finance Asia, Alpha Southeast Asia, The Banker, The Asset, Asia Money, and the Asia CEO Awards.

Peso Aggressive Fund

Objective

The Peso Aggressive Fund seeks capital growth over the medium to long-term by investing in a selection of exchange-listed equities.

Client Suitability

This Fund is suitable for individuals willing to accept high risk and volatility for their investment in expectation of higher growth potential. In the same light, these individuals are prepared to accept losses on their capital in order to maximize returns over the medium to long-term.

Fund Manager

The Peso Aggressive Fund is managed by the Trust and Investments Group of BDO Unibank, Inc. (BDO), which is the financial services flagship of the SM Group of Companies, one of the most successful conglomerates spanning retail, mall operations, property, banking, hotels, convention and leisure facilities.

Peso Conservative Fund

Objective

The Peso Conservative Fund aims for a high level of income with preservation of principal and maintenance of liquidity by investing in a combination of short-term and long-term fixed income securities.

Client Suitability

This Fund is suitable for individuals who prefer low risk and volatility and are willing to accept lower growth. Generally, these individuals are willing to accept some short-term fluctuations if the expected return on the investment is higher over the medium to long-term.

Fund Manager

The Peso Conservative Fund is managed by the Trust and Investments Group of BDO Unibank, Inc. (BDO), which is the financial services flagship of the SM Group of Companies, one of the most successful conglomerates spanning retail, mall operations, property, banking, hotels, convention and leisure facilities.

Today, BDO is multi-awarded by various leading financial institutions, which include Finance Asia, Alpha Southeast Asia, The Banker, The Asset, Asia Money, and the Asia CEO Awards.

RISK DISCLOSURE

Disclosure Statement

This document has been prepared by BDO Life Assurance Company, Inc. for information purposes only. This document is provided solely to you and may be legally privileged and/or confidential.

This material shall not constitute a commitment nor a solicitation/offer to sell. It does not intend to be the basis for your investment decision and/or action.

Data on past performance presented in the document/s is not an indication of future performance. Assumptions and calculations were presented as of the date indicated and are subject to change.

Accordingly you must independently assess the appropriateness of the product and the underlying funds before investing based on the potential advantages and the associated risks.

The value of any investment may fluctuate as a result of market changes. The various funds have different degrees of risk depending on the portfolio exposure and the investment strategy. As the underlying funds fluctuate in value, the policyholder may not get back the full amount he invested. For funds with higher volatility, the possibility of total loss is higher as the value of the investment may fall significantly in a short period of time.
