

BDO joins Ratsada para sa Marino

BDO Remit team and Consumer Lending Group (CLG) recently participated in the first Ratsada para sa Marino, a motoring exhibit organized by Luneta Seafarer Welfare Foundation.

While CLG entertained inquiries on auto loans, BDO Remit encouraged the seafarers to open BDO Kabayan Savings Account or BDO Kabayan Shipping Savings Account, where they can course their payroll allotment.

Existing seafarer clients, who were present during the event, showed appreciation for BDO's efforts to help them.

“Nung araw, wala pang ganyang remittance. Pay-on-board kami, so kung magastos ang seaman, walang maiwan sa pamilya,” Jaime Defante said. *“Kaya natuwa kami na meron ng ganitong service ang BDO.”* Defante works as a chief cook in Magsaysay. He has been maintaining various BDO savings accounts for almost 10 years now. *“Through BDO, nakabili kami ng house and lot. Misis ko ang may diskarte para makapag-ipon. Ngayon, mayroon na kaming sasakyan, nag-aaral ang anak ko sa private school, nabibili pa namin ang gusto nya,”* he added.

Jaime Gonzaga is another satisfied BDO remittance client since 2003. *“Maganda ang service ng BDO,”* he said. *“Sa ibang bangko, ang tagal ng proseso. Sa BDO, mabilis,”* Gonzaga added. *“Pagdating naman sa dollar, kapag kinailangan mo ng pera, makakapag-withdraw ka. Kaya trusted ko ang BDO dahil sa ganda ng service. Wala pang kaba dahil established na.”*

Almost 1,000 BDO Kabayan Savings Accounts were opened during the weeklong event.
