BDO Credit Cards

The best way to enjoy.

We find ways®

The Credit Card: Good things, small package.

Making any kind of payment has never been easier and hassle-free -- what with the many benefits of owning a BDO credit card!

Convenience – You don't have to go to the ATM to get cash. Pay for your shopping, dining, travel, utilities and bills with just one swipe! You can also shop online safely and securely. Plus, all your purchases can be easily tracked and reversed if necessary.

Safety – Having a credit card is safer than carrying around huge amounts of cash. BDO and BDO card partners have extensive security systems in place to ensure safe online shopping and ways to detect misuse of your card.

Perks & Privileges - Credit cards come with privileges and freebies for members. You can enjoy discounts and rebates, installment plans, even treats from the card company or partner establishments.

With all these, owning a credit card is indeed worth it. And, by using it wisely, you can enjoy the many advantages it can offer. At BDO, we provide a wide array of credit card options for you to choose from and enjoy.
