INVESTMENT OBJECTIVE AND STRATEGY

The Fund aims to provide investment returns by investing in a single collective investment scheme, called the Target Fund, which is invested in a diversified portfolio of globally listed real estate companies and real estate investment trusts (REITs). The Target Fund is the iShares Developed Markets Property Yield UCITS ETF (ISIN: IE00B1FZS350). The Fund's benchmark is the FTSE EPRA/NAREIT Developed Markets Index.

CLIENT SUITABILITY

A client profiling process should be performed prior to participating in the Fund to guide the prospective investor if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/Plan Rules of the Fund, which may be obtained from the Trustee, before deciding to invest.

- ♦The BDO Developed Markets Property Index Feeder Fund is suitable only for individual and corporate investors who have aggressive risk appetite and who seek potentially higher returns through global stock market investments but are also aware of the possibility of capital losses that such investments may entail.
- ♦Participation in the Fund shall be open to Filipino citizens, Philippine residents and domestic corporations with capacity to contract and who are not considered US Persons under the US securities and tax laws.
- ♦Participants/trustors are recommended to stay invested in the Fund for more than three (3) years. The Fund is not suitable for short-term investing.

KEY RISKS AND RISK MANAGEMENT

You should not invest in this Fund if you do not understand or are not comfortable with the accompanying risks.

Market/Price Risk. Possibility to experience losses due to changes in market prices of securities.

Liquidity Risk. Possibility to experience losses due to the fund's inability to convert assets into cash immediately or in instances where conversion to cash is possible but a highly disadvantageous price.

Foreign Exchange Risk. Possibility to experience losses due to fluctuations in foreign exchange rates.

Country Risk. Possibility to experience losses arising from investments in securities issued by/in foreign countries due to political, economic and social structures of such countries.

All the Fund's investment outlets undergo evaluation in accordance with the Trustee's Investment Policy Manual. Regulatory exposure limits are monitored on a regular basis. The Fund will not use financial derivatives instruments to hedge risks.

♦THE UIT FUND IS NOT A DEPOSIT AND IS NOT INSURED BY THE PHILIPPINE DEPOSIT INSURANCE CORPORATION (PDIC).
♦RETURNS CANNOT BE GUARANTEED AND HISTORICAL NAVPU IS FOR ILLUSTRATION OF NAVPU MOVEMENTS/FLUCTUATIONS ONLY.
♦WHEN REDEEMING, THE PROCEEDS MAY BE WORTH LESS THAN THE ORIGINAL INVESTMENT AND ANY LOSSES WILL BE SOLELY FOR THE ACCOUNT OF THE CLIENT.
♦THE TRUSTEE IS NOT LIABLE FOR ANY LOSS UNLESS UPON WILLFUL DEFAULT, BAD FAITH OR GROSS NEGLIGENCE.

OTHER DISCLOSURES

RISK FACTORS RELATED TO THE TARGET FUND

The following are the principal risks of investing in the Target Fund:

Secondary Trading Risk. There can be no certainty that there will be liquidity in the shares on any one or more of the stock exchanges or that the market price at which shares may be traded on a stock exchange will be the same as the Net Asset Value per Share.

Currency Risk. Investments of the Target Fund may be acquired in currencies which are not the base currency of the Target Fund. Changes in exchange rates may adversely affect the value of the Target Fund's assets.

Real Estate Sector and Concentration Risk. Property securities are subject to some of the same risks associated with the direct ownership of property including, but not limited to: adverse changes of the conditions of the real estate markets, obsolescence of properties, changes in availability, costs and terms of mortgage funds and the impact of environmental laws.

Market Risk. The value of equity securities fluctuate daily and a fund investing in equities could incur significant losses.

Liquidity Risk. The Target Fund's investments may be subject to liquidity constraints, which means they may trade less frequently and in small volumes. Reduced liquidity of a Target Fund's investments may result in a loss to the value of your

Dealing Day Risk. As foreign exchanges can be open on days when the Target Fund may have suspended calculation of its Net Asset Value and the subscription and redemption of shares and therefore, shares in the Target Fund are not priced, the value of the securities in the Target Fund's portfolio may change on days when shareholders will not be able to purchase or sell the Target Fund shares.

Index Tracking Risk. There is no guarantee that the Target Fund will achieve perfect tracking of the performance of the benchmark index and the Target Fund may potentially be subject to tracking error risk, which is the risk that their returns may not track exactly those of the Index, from time to time.

Index-Related Risk. Errors in respect of the quality, accuracy and completeness of the data of the benchmark index provided by the relevant index provider may occur from time to time and may not be identified and corrected for a period of time, in particular where the indices are less commonly used. As such, errors may potentially result in a negative or positive performance impact to the Target Fund and, by extension, impact its shareholders.

SWITCHING OF THE TARGET FUNDS

♦The Trustee shall have the authority to switch Target Fund in the event of a material change in the Target Fund and as the circumstances warrant including reasons such as: 1) Change in the objective, investment style or risk profile of the current Target Fund; 2) Resignation of fund managers or portfolio management team of the Target Fund; 3) Closure of the Target Fund or its maximum AUM capacity has been reached; 4) Prolonged suspension of subscription/redemption to/from the Target Fund; 5) Change in the Target Fund's fees that will significantly affect the total expense ratio of the Fund; 6) Regulatory change in the jurisdiction where the Target Fund is domiciled that would significantly affect the Target Fund's operations; 7) Significant legal disputes; 8) Market Conditions which, in the reasonable opinion of the Trustee, warrant a change in Target Fund; 9) Investment by the Target Fund in another collective investment scheme; 10) as well as when, in the opinion of the Trustee, the Target Fund has been consistently underperforming vis-a-vis expectations. In case of such switching, the Trustee shall notify the Participants by way of direct written notice and through the form of notices such as: 1) electronic mail; 2) notices posted in the premises of the Trustee and its branches; 3) notification in the Trustee's website. Such notice shall include the ground for the switching as well as the estimated costs to be incurred by the Fund for the switching.

♦Switching of a target fund due to a change in the Target Fund's investment objectives shall be accompanied by a change in the Fund's Declaration of Trust (DOT). No change shall be implemented within thirty (30) calendar days from the initial notification. The switching of the Target Fund will be conducted with due diligence and with the approval of the Trust Committee.
