BDO Trust and Investments Group	Standard Chartered Bank; Citibank; Deutsche Bank; HSBC	Punongbayan & Araullo	None

\*As a percentage of average daily NAV for the month valued at PHP 61.082 Billion

## INVESTMENT OBJECTIVE AND STRATEGY

The Fund aims for capital preservation and income generation by investing in a diversified portfolio of fixed income instruments with average duration of less than one (1) year. The Fund's benchmark is the Bloomberg BPHIL Money Market index.

## CLIENT SUITABILITY

A client profiling process should be performed prior to participating in the Fund to guide the prospective investor if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/Plan Rules of the Fund, which may be obtained from the Trustee, before deciding to invest.

- ♦The BDO Short Term Fund is primarily suitable for individual and corporate investors with moderate risk appetite and who are looking for investments with yields relatively higher than those of savings and time deposit accounts.
- ♦Participants/trustors are recommended to stay invested in the Fund for at least one (1) year.

## KEY RISKS AND RISK MANAGEMENT

You should not invest in this Fund if you do not understand or are not comfortable with the accompanying risks.

**Interest Rate Risk.** This is the possibility for an investor to experience losses due to changes in interest rates. The purchase and sale of a debt instrument may result in profit or loss because the value of a debt instrument changes inversely with prevailing interest rates.

**Market/Price Risk.** This is the possibility for an investor to experience losses due to changes in market prices of securities. It is the exposure to the uncertain market value of a portfolio due to price fluctuations.

**Credit Risk/Default Risk.** This is the possibility for an investor to experience losses due to a borrower's failure to pay the principal and/or interest in a timely manner on instruments such as bonds, loans, or other forms of security, which the borrower issued.

**Reinvestment Risk.** This is the risk associated with the possibility of having lower returns or earnings when maturing funds or the interest earnings of funds are reinvested.

The Fund employs a risk management policy based on modified duration. Modified duration measures the sensitivity of bond prices to interest rate movements. As interest rates rise, bond prices fall. The higher the duration, the more the NAVPU will fluctuate in relation to changes in interest rates. All the Fund's investment outlets undergo evaluation in accordance with the Trustee's Investment Policy Manual. Regulatory exposure limits are monitored on a regular basis. The Fund may also use financial derivative instruments solely for the purpose of hedging risk exposures.

- ♦THE UIT FUND IS A TRUST PRODUCT AND NOT A DEPOSIT ACCOUNT, AND IS NOT INSURED BY THE PHILIPPINE DEPOSIT INSURANCE CORPORATION (PDIC).
- ♦RETURNS CANNOT BE GUARANTEED AND HISTORICAL NAVPU IS FOR ILLUSTRATION OF NAVPU MOVEMENTS/FLUCTUATIONS ONLY.
- ♦WHEN REDEEMING, THE PROCEEDS MAY BE WORTH LESS THAN THE ORIGINAL INVESTMENT AND ANY LOSSES WILL BE SOLELY FOR THE ACCOUNT OF THE CLIENT.
- ♦THE TRUSTEE IS NOT LIABLE FOR ANY LOSS UNLESS UPON WILLFUL DEFAULT, BAD FAITH OR GROSS NEGLIGENCE.

**OTHER DISCLOSURES**

**RELATED PARTY TRANSACTIONS**

The Fund has investments and trade transactions with BDO Unibank, Inc., its subsidiaries and related parties, as follows:

	Transaction	Market Value (MIn)
<b>BDO Unibank, Inc.</b>	Time Deposit Placement	303.89

Investments in the said outlets were approved by the Trust Committee. Likewise, all related party transactions are conducted on an arm's length and best execution basis and within established limits.

**BDO SHORT TERM FUND****KEY INFORMATION AND INVESTMENT DISCLOSURE STATEMENT (Page 3)**

Month Ended June 30, 2023

**OTHER DISCLOSURES****OUTLOOK AND STRATEGY**

The Consumer Price Inflation (CPI) print for the month of May slowed down to 6.1% from 6.6% the previous month, marking the fourth consecutive month of decline. It was mainly driven by the lower inflation on food, transport, and services. This figure brings the year to date average inflation to 7.5% which is still well above the BSP's target. As inflation continues to slow down, the BSP decided to maintain its current policy rate in its recent monetary board meeting. STF remains invested in a mix of various time deposits and short term government and corporate bonds. The fund's duration at the end of June remains within its mandate at 0.42 years.

**INVESTMENT POLICY / PROSPECTIVE INVESTMENTS**

The Fund may invest in deposits in the trustee's bank or in other banks, securities issued or guaranteed by the Philippine Government or the BSP, tradable securities issued by any supranational entity and exchange-listed fixed income securities. Subject to BSP guidelines and the Trustee's Trust Committee approval, the Fund may also avail of financial derivative instruments solely for the purpose of hedging risk exposures, as well as invest in other tradable investment outlets/categories as may be deemed suitable for the Fund.

**OTHER DISCLOSURES**

- This Fund is available to Philippine residents and domestic corporations, with capacity to contract.
- Prospective participants/clients should also consult their own tax advisors as to the specific Philippine tax consequences of acquiring, holding and redeeming of units of any Fund/investment outlet, as well as the consequences arising under the laws of any other taxing jurisdiction.

Cooling-Off Period – Subject to the exemptions under BSP regulations, a Participant/Trustor shall be entitled to cancel his/its initial subscription, without penalty, upon formal notice to the Trustee within a period of two (2) banking days immediately following the signing of the Omnibus Participating Trust Agreement of BDO UITFs. However, the Participant/Trustor shall bear the payment of all costs, expenses and early redemption fees arising from such termination, if any. If a Participant/Trustor wishes to exercise his/its rights under this provision, the Participant/Trustor should immediately call/send an email to/visit his/its assigned Trust Marketing Officer or the Branch Manager/ Marketing Officer of the Participant's/Trustor's BDO Servicing Branch.

BDO Unit Investment Trust Funds (UITFs) are not deposits but trust agreements. They are not obligations of, nor guaranteed, nor insured by BDO or its affiliates and subsidiaries, and are not insured by, nor governed by the PDIC. UITFs do not carry any guaranteed rates of return. Any income or loss arising from market fluctuations and price volatility of the securities held by the UITFs, including government securities, is for the account of the investor. The units of participation in the funds, when redeemed, may be worth more or worth less than the initial investment of the investor. Historical performance, when presented, is purely for reference purposes and not a guarantee of similar future results. BDO, as trustee, is not liable for losses unless there is fraud, willful default, bad faith or gross negligence. It is recommended that investors read the UITF's Plan Rules or seek an independent opinion before making an investment.
